Student Success Stories

These testimonials are just a glimpse of the many success stories that have emerged from our institute. We are committed to nurturing talent honing skills, and helping students reach their career aspirations.

Kalpesh Lambade

Full Stack Developer

Awdiz helped me shape my career with their excellent coaching and placement system. They did their best while I did mine while developing many clones Instagram clone, E-commerce Website etc...

Rakesh Daseri

Full Stack Developer

A Simple Google review got me a job! Google Recommended me Awdiz, and then I called for a Demo lecture, after which I was satisfied and decided to pursue my Full Stack development at Awdiz...

Akshata Shinde

Full Stack Developer

I was Empowered by this course! It helped my crack a 9 LPA and I was overwhelmed with emotions. My experience at Awdiz was very Enriching I would recommend it to my fellow Juniors...

Pooja Vetal

Full Stack Developer

Being from a Non-Technical background & getting placed in a Top IT company Company was surreal experience for me. Awdiz helped me achieve this with their excellent placement support services...
